## Famous Chocolate Fountain

I am glad you are so interested in our Chocolate Fountain. Here is some information about our fountain for you and for your clients:

- We own two different fountains: a small and a large. The small would work well for parties of less than 100 guests, the large for parties of 100 and above. Both fountains can be, and have been, rented for events.
- We provide Dark Chocolate (recommended), Milk Chocolate, and White Chocolate. One with dark and one with white look great!
- We also provide dipping goodies. They include: seasonal fruits (strawberries, pineapple, oranges, apples, bananas, etc.), marshmallows, pretzels, and graham crackers. Other items can be used, but they may incur an additional charge. Call for details
- A professional attendant trained to work the fountain will assist your guests with the fountain, they always seem to have lots of questions, and will assemble, maintain, then breakdown and clear away the fountain. The rental charge includes the attendant for 2 hours of flowing time. You may have the attendant for longer than 2 hours if you need, an hourly charge will be incurred. Call for details.
- The rental fee for the large fountain is \$500.00, the small rents at \$400.00. A \$100.00 deposit is required to hold the date of your event. The rental fee includes the chocolate, dipping goodies, and the attendant for 2 hours.
